Office Memorandum • UNITED STATES GOVERNMENT

TO : General Counsel

DATE: 18 July 1951

FROM : Security Officer, CIA

SUBJECT: U.S. Income Tax Forms of CIA Employees

REFERENCE: Memorandum from Office of General Counsel to Chief, I&SS, dated April 1951

1. Inquiries were made within the Baltimore, Maryland, office of the Collector of Internal Revenue by personnel of the I&SO, the Office of the General Counsel and the Finance Division, concerning the problem raised by the Reference.

2. As a result of the inquiries, it is the opinion of the above personnel, and this office concurs, that Agency security and operational needs will be satisfactorily met by having the Agency continue to indicate source of income on Internal Revenue Forms W-2A (statement of income and withholding tax) as U.S. Government. However, it is recommended that the address Washington 25, D. C., be added to all forms to comply with Internal Revenue regulations.

3. [REDACTED] gives instructions to Agency employees as to designation of employer on U.S. Individual Income Tax Forms No. 1040 and 1040A.
